Where great things happen **to me**

Whatever you want home to be...  
Ellen Degeckat, Durham Resident  
Just the other day, we closed the sale of a wonderful historic home in the West Durham area for a young couple who are first time buyers. As we looked at the house, she looked at me and said, "Thank you -- we would never have gotten this house if you had not helped us." At that moment I knew, for sure, that I have the very best job in Durham.
